24-D Enlist Draft 4-29-14.doc

Attached is the newest version. I left in OGC's comments for now in case some of them are still relevant. Do we need to cite the famous Norsworthy article? Here is the citation from WSSA:
Jason K. Norsworthy, Sarah M. Ward, David R. Shaw, Rick S. Llewellyn, Robert L. Nichols, Theodore M. Webster, Kevin W. Bradley, George Frisvold, Stephen B. Powles, Nilda R. Burgos, William W. Witt, and Michael Barrett (2012) Reducing the Risks of Herbicide Resistance: Best Management Practices and Recommendations. Weed Science: Special Issue 2012, Vol. 60, No. sp1, pp. 31-62.
